

HANDEE TOOL OF 1001 USES

GET ON THE HOBBY BAND WAGON

Hobbyists, mechanics and repairmen prefer the Handee. Merchants like it too—requires small stock investment and has rapid, profitable turnover.

Throughout the world Handee has prestige, because of its startlingly efficient performance—because since it was invented 12 years ago, it has been advertised in more than 100 leading national, trade and professional magazines.

It sells on sight. Every man and boy who picks up a Handee wants one because of its perfect balance, speed and smoothness; he becomes a regular customer for the 300 different accessories—all first quality and American made—to do every kind of work on metals, alloys, Bakelite, bronze, wood, resins, glass, horn, bone, stone, etc.
